DETAILED ACTION

1. The following rejection is **FINAL**, necessitated by amendment. Any rejection not reiterated is withdrawn.
2. The amendment filed April 3, 2002, paper # 13, mentioned that claim 12 was to be amended to recite SEQ ID NO: 3. However, no such amendment to claim 12 was found. Therefore, claim 12 remains unexamined as being drawn to a non-elected group.

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
2. Claim 3 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In particular, the claim was amended to delete the phrase "a part of". Examiner had previously suggested that the claim be amended to delete the phrase "a part of the base sequence or". The claim now reads "containing the base sequence or the whole base sequence," which is confusing and redundant, since it is not clear what the difference is between the base sequence and the whole base sequence. It is suggested that Applicant delete the phrase "or the whole base sequence". Appropriate correction is required.

Conclusion

1. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
